McAnearny Paul was born in 1973 in Northern Ireland and began his studies at Oxford School of Architecture. During its course Paul won a scholarship to one year in Hong Kong, a city that facilitated its development as an architect and was appointed architect for various projects work for Mike Tonkin. He moved to Japan and worked for the Shin Takamatsu Architect where he completed several projects published.

After her international experiences, McAneary Paul completed his studies at the Architectural Association in London, which became Honorary Secretary of the Council. Worked on large projects with John Pawson, surely another great learning experience for his career. After leaving office Pawson, the architect has made partnership with Australian Robert Harwood until 2007, where he established his own office: Paul McAneary Architects, located in the heart of Soho in London.
